Walkin' down this rocky road, wonderin' where my life
is leadin'
Rollin' on to the bitter end
Findin' out along the way, what it takes to keep love
living
You should know how it feels, my friend

Ooh, I want you to stay
Ooh, I want you today

Well, I'm ready for love
Oh baby, I'm ready for love
Ready for love
Oh baby, I'm ready for love
Oh, for your love

Now I'm on my feet again, better things are bound to
happen
All my dues surely must be paid
Many miles and many tears, times were hard but now
they're changing
You should know that I'm not afraid

Ooh, I want you to stay
Ooh, I want you today

Well, I'm ready for love
Oh baby, I'm ready for love
Ready for love
Oh baby, I'm ready for love
Oh, ready for your love
I'm ready for your love

Ooh, I want you to stay, yeah
Ooh, I want you today

Well, I'm ready for love
Oh baby, I'm ready for love
Ready for love
Oh baby, I'm ready for love

Ready for love

Oh baby, I'm ready for love
Ready for love
Oh baby, I'm ready for your love, ooh
Ahh, oh, I'm ready for your love, oh
