Sweet little baby,
You don't have to go
Little baby,
Tell me you won't go

We'd be so good together
If we had the time
Being alone's
A nowhere state of mind

ooooooh, Loving ain't no crime - oh no
I see your man ain't here,
He don't care!

The way of the night has gone.
And we'll move on,
Got to find a way,
To face another day.

Search the world
For someone I'll never find
Someone who ain't... the lying kind!

ooooh, and if you stay the night - oh yeah
We'll make the wrong seem right
So come on now...

Chorus:
Rock me!
Rock me!!
Roll me through the night
Rock me!
Rock me!!
Roll me through the night
Rock me!
Rock me!!
Roll me through the night...!
We'll burn in love tonight

Sweet little babe,
Oh, don't you go
You ain't so... innocent, I know!

Ooooooh, I know your heart's like mine - oh yeah
And I will find the time
To make you mine

Ooooh, and if your love goes bad,
If it makes you sad
I'll be back for more
Oooh, at your door!

Chorus:
Rock me!
Rock me!!
Roll me through the night
Rock me! (Rock me)
Rock me!! (Rock me on)
Roll me through the night
Rock me!
Rock me!!
Roll me through the night
Before the morning light,
We'll burn in love tonight
Burn with love tonight...

And when your man don't care!
I will be there!
Still be lovin'
Real good love, so baby now...

Chorus:
Rock me! (Rock me)
Rock me!! (Rock me on)
Roll me through the night
Rock me!
Rock me!!
Roll me through the night
Rock me! (Rock me)
Rock me!! (Rock me on)
Roll me through the night
There ain't no wrong or right
But burn with love...
Rock me! (Rock me)
Rock me!! (Rock me on)
Roll me through the night

Rock me!
C'mon!
Roll me through the night

Rock me! (Rock me)
Rock me!! (Rock me on)

Roll me through the night

There's nothing left to do,
But make sweet love to you...!

C'mon and rock me...!
