I wake in the night  
To find you on my mind  
Deep in a dream you'll always be  
Until the end of time

I look in your eyes, they touch my soul  
My love is hard to hide  
I'm never alone when we're apart  
I feel you by my side

And here in my heart  
Where no one else will ever be  
I know who you are  
So lock the door

And throw away the key  
Save all your love, save your love for me  
When I'm alone at night  
You're all I see

I wake from a dream  
And see you by my side  
How could I belong to someone else  
When holdin' you feels so right?

And here in my heart  
Where no one else will ever be  
We've made it so far  
So lock the door and throw away the key  
(Yeah)

Save all your love  
Save all your love for me  
When I'm alone at night  
You're all I see

Save all your love  
Save your love for me  
Don't turn your back on me  
You're all I need

I know who you are, we've come so far

So baby stay with me, yeah  
Save all your love  
Save your love for me

Don't turn your back on me  
You're all I need  
Save your love save  
Your love save all your love

Save save all your love  
Save your love, baby  
Save all your love  
Save all your love
