Well, just yesterday
I heard the news
You were back in town
Back to the old playground

Well, the lights are on
And I heard this song
In the still of the night
We were standing strong, yeah

So take me back in time
Out of moon of Eighty-Nine
With all the girls we had in mind

Shotgun Willie's, it's always Saturday night
Shotgun Willie's makes you feel all right
We were young and wild, and free like a child
And never thought it would change, so strange, oh

By the neon light, there's a picture of you
Faded black and white, with a touch of blue

So take me back in time
Out of moon of Eighty-Nine
With all the girls we had in mind

Shotgun Willie's, it's always Saturday night
Shotgun Willie's makes you feel all right
We were young and wild, and free like a child
And never thought it would change, so strange, oh

I know it's hard to believe
Life goes on and we've moved on
We've never lost our dream
With all our hopes and crazy schemes
Yeah, still, we still shine on

So take me back in time
Out of moon of Eighty-Nine
With all the girls we had in mind

Shotgun Willie's, it's always Saturday night
Shotgun Willie's makes you feel all right
We were young and wild, and free like a child
And never thought it would change, so strange, oh

Shotgun Willie's, it's always Saturday night
Shotgun Willie's makes you feel all right
We were young and wild, and free like a child
And never thought it would change, so strange, oh

Oh, yeah
And I sure miss those days, yeah
Oh, yes, I do
