I've been to London, seen seven wonders. I know to trip  
is just to fall

I used to rock it, sometimes I'd roll it. I always knew  
what it was for.

There can be no denyin' that the wind 'll shake 'em  
down

And the flat world's flyin'. There's a new plague on the  
land

If we could just join hands (X3)

Traversed the planet when heaven sent me. I saw the  
kings who rule them all

Still by the firelight and purple moonlight. I hear the  
rested rivers call

And the wind is crying, from a love that won't grow cold  
My lover, she is lying, on the dark side of the globe

If we could just join hands (X3)

You got me rockin' when I ought to be a-rollin'

Darlin', tell me, darlin', which way to go

You keep me rockin', baby, then you keep me stolen

Won't you tell me, darlin', which way to go... that's right  
Oh how I wonder, oh how I worry and I would dearly like  
to know

I've all this wonder of earthly plunder will it leave us  
anything to show

And our time is flyin' see the candle burnin' low

Is the new world rising, from the shambles of the old

If we could just join hands.
