Twice Shy" as recorded by

Great White

Well the times are gettin' hard for you Little girl

I'm a-hummin' and a-strummin' all over God's world

You can't remember when you got your last meal

And you don't know just how a woman feels

You didn't know what rock-n-roll was

Until you met my drummer on a grey tour bus

I got there in the nick of time

Before he got his hands across your state line Yeah

Now it's the middle of the night on the open road

And the heater don't work and it's oh-so-cold

You're lookin' tired You're lookin' kinda beat

The rhythm of the street sure knocks you off your feet

You didn't know how rock-n-roll looked

Until you caught your sister with the guys from the
group

Half-way home in the parking lot

By the look in her eye She was giving what she got Said

CHORUS:

My My My I'm once bitten Twice shy Baby

My My My I'm once bitten Twice shy Baby

My My My I'm once bitten Twice shy Baby

Woman You're a mess Gonna die in your sleep

There's blood on my amp and my Les Paul's beat

Can't keep you home You're messin' around

My best friend told me you're the best lick in town

You didn't know that rock-n-roll burned

So you bought a candle and you lived and you learned

You got the rhythm You got the speed

Mama's little baby likes it short and sweet I said

CHORUS:

I didn't know you had a rock-n-roll record

Until I saw your picture on another guy's jacket

You told me I was the only one

But look at you now It's dark and you're gone

CHORUS:

My My My I'm once bitten Twice shy I'm shy So shy
