you say i cannot get there from here baby then i don't
care where i'm going
here's to your thin red line i'm stepping over
thought you'd never miss me till i got a fat city address
non stop talker what a rocker blue eyed murder in a
size five dress
change nothing stays the same unchained and you hit
the ground running
change ain't nothing stays the same unchained and
you hit the ground running
i know i don't ask for permission this is my chance to fly
maybe enough ain't enough for you but it's my turn to
try
thought you'd never miss me till i got a fat city address
non stop talker what a rocker blue eyed murder in a
size five dress
change nothing stays the same unchained and you hit
the ground running
change ain't nothing stays the same unchained and
you hit the ground running
change nothing stays the same unchained and you hit
the ground running
change ain't nothing stays the same unchained and
you hit the ground running
hey take a look at this hey man that suit is you
you'll get some leg tonight for sure tell us how you do
come on man give me a break one break coming up
change nothing stays the same unchained and you hit
the ground running
change ain't nothing stays the same unchained and
you hit the ground running
change nothing stays the same unchained and you hit
the ground running
change ain't nothing stays the same unchained and
you hit the ground running
