I've tried to tell you that I love you
So many times before
You never let me be a part of your life
If you only knew

I've tried so hard to be someone that you want
But now I'm through
Did you forget about all the times that we had
Where did you go?

Is anyone in there?
Does this make any sense?
It's so useless
Trying to get your attention

So this is it what else can I do
To show you how I feel
I could be drowning right in front of your eyes
And you'd never know

I'd give up everything to hold you in my arms
For one last time
If you choose to walk out that door then
I'm just not in your way

Is anyone in there?
Does this make any sense?
It's so useless
Trying to get you to listen to me

I've tried to show you that I love you
But you never let me be a part of your life
I could be drowning right in front of your eyes
But you'll never know
You'll never know, you'll never know

Why did you turn your back
We're out of time to fix these issues
Is anybody listening?
Is anybody listening?

Is anyone in there?

Does this make any sense?
It's so useless
Trying to get your attention
Are you listening?

Is anyone in there?
Does this make any sense?
It's so useless
Trying to get you to listen to me
