Call me weak, but I learned it all from you.  
Maybe I'll be brave, but just not today.  
Call me scared, but that's who I really am.  
I could be just like you.

Excuse me, gentlemen,  
What exactly does it mean to be a man?  
Excuse me, kind gentlemen,  
Can you tell me what it means to be a man?

Call me sad, but how would you ever know?  
Maybe you'll be there, but just not today.  
Pretend I'm dead, so you can go on living.  
I could be just like you.

Excuse me, gentlemen,  
What exactly does it mean to be a man?  
Excuse me, kind gentlemen,  
Can you tell me what it means to be a man?

A real grown up cowboy,  
Cause this what you made me be,  
A straight up gunslinger.

I won't be back baby.  
(Yeah, you know it I won't be back again.) [x2]

Excuse me, gentlemen,  
What exactly does it mean to be a man?  
Excuse me, excuse me,  
Can you tell, can you tell me what it means to be...

Should I be just like you? [x7]  
To be a man.
