Visit "[Through Waiting](#)" on MotoLyrics.com

I can't be the one to show you the way
All the time
I'm left all alone to wander this place
Asking why
I'm falling back to you after all that we've been through
I can't let go
I'm falling back to you after all that we've been through
I can't let go
I'm through letting you walk over me
All the time
I've heard it before you can't keep this up
Make up your mind
I'm falling back to you after all that we've been through
I can't let go
I'm falling back to you after all that we've been through
I can't let go
Tonight is the last night I'll wait for you (I'll wait for you)
I'm falling back to you after all that we've been through
I can't let go
