How could we let this slip away
We shared so much together
Wasn't it enough for you
Cause everything that I did
I did it for you
We took so much for granted
You're beautiful to me
Without you my heart bleeds
Yesterday
I had you here with me
Now that you're gone
It's so empty
Another dark night feeling alone
Drowning in the sadness
Remembering all we had
The memories of you
Etched inside my mind
You left me here to die
You're beautiful to me
Without you my heart bleeds

Yesterday
I had you here with me
Now that you're gone
It's so empty
I could live without
All of this
I could give it up
It's just not worth it
You're beautiful to me
Without you my heart bleeds
Yesterday
I had you here with me
Now that you're gone
It's so empty
