Starlit night
The moon is shining bright
You are the one I need
Up at your window
I see a shadow
Silhouette of your grace
Here's this flower
I picked for all the hours
That you've spent with me
The one I love
That I've been dreaming of
Sailing across the sea

Let my hands flow through
Your hair. Moving closer
A kiss we'll share
Passionate love to be all night long
We'll never break, as one too strong

Nothing's more
Than what our love is for
As I kiss your cheek
Oh so softly
Hands flowing down my back
1,000 hours, I'll never leave
Our romance
Is a love trance
And now we'll never part
1,000 hours
Of such a love shower
We'll never stop, once we start

Let my hands flow through
Your hair. Moving closer
A kiss we'll share
Passionate love to be all night long
We'll never break, as one too strong

Let my hands flow through
Your hair. Moving closer
A kiss we'll share
Passionate love to be all night long

We'll never break, as one too strong
