I sit in the state of a daydream  
With all of your words flying over my head  
Even more time gets wasted  
In a daze

It should seem obvious to you  
Your screams and cries are never going to work  
And all of your time gets wasted  
In my daze

And I'm looking back now  
At where I have gone wrong  
And why I could not seem to get along  
My interests are longing  
To break from these chains  
These chains that control  
My future's aim...

I sit in the state of a daydream  
With all of your words flying over my head  
Even more time gets wasted  
In a daze

Maybe I'm just too damn lazy  
Or maybe I was just brainwashed to think that way

And all of your time gets wasted  
In my daze

And I'm looking back now  
At where I have gone wrong  
And why I could not seem to get along  
My interests are longing  
To break from these chains  
These chains that control  
My future's aim...

I'm looking-  
back now at-  
Where I have-  
have gone wrong...  
And why I -

could not seem-  
Could not seem-  
to get along...

And I'm looking back now  
At where I have gone wrong  
And why I could not seem to get along  
My interests are longing  
To break from these chains  
These chains that control  
My future's aim...
