Ashley
Are you running around?
Now you're crying at a bloody murder
Ashley
Are you bumming around?
You are crying on my cold shoulder

Used a tangled mind with your puppet strings
You tangled your desires right in front of my face
You let me into the world but wouldn't let me drink
Swallowing my pride and I never even got the taste

But time comes around and I'm not so naive
I've finally lost touch cause you're so out of
reach
You say that you're fine but I know that you ain't
You're looking like hell and you're no fucking
saint

Ashley
Are you running around?
Now you're crying at a bloody murder
Ashley
Are you bumming around?
You are crying on my cold shoulder
Ashley
Are you running around?
Now you're crying at a bloody murder
Ashley
Are you bumming around?
You are crying on my cold shoulder

You are what you are
A wish on a shooting star
You are a filthy thought
In my memory

I've tasted cigarettes and liquor on your breath
You used to call it speed but now it's crystal meth
Like when I loved you but you're scaring me to
death
This careless memory and now I could care less

But time comes around and I'm not so naive
I've finally lost touch cause you're so out of
reach
You say that you're fine but I know that you ain't
You're looking like hell and you're no fucking
saint

Ashley
Are you running around?
Now you're crying at a bloody murder
Ashley
Are you bumming around?
You are crying on my cold shoulder

Ashley
Are you running around?
Now you're crying at a bloody murder
Ashley
Are you bumming around?
You are crying on my cold shoulder
