Go go go

Year of the rat last of the litter  
Somebody shot the babysitter  
They say my middle name is "Danger"  
The guy you keep away from strangers

I'm singing woah oh oh oh oh  
I'm out of control  
Oh baby, when I see your pretty face  
I say woah oh oh oh oh  
God rest your fucking soul  
'Cause baby, baby I was born to kill

I pulled the trigger from the shooting stars  
I am the motor in your crashing car  
I am the Cherub in the arab spring  
I the bullet in your magazine

I'm singing woah oh oh oh oh  
I'm out of control  
Oh baby, when I see your pretty face  
I said oh oh oh oh oh  
God rest your fucking soul  
'Cause baby, baby eyes  
'Cause baby, baby eyes  
'Cause baby, baby I was born to kill
