

Green Day "Bain Stew"

I'm having trouble trying to sleep
I'm counting sheep but running out
As time ticks by
And still I try
No rest for cross stops in my mind
On my own...here we go....
My eyes feel like they're gonna bleed
Dried up and bulging out my skull
My mouth is dry My face is numb
Fucked up and spun out in my room
On my own...here we go....
My mind is set on overdrive

The clock is laughing in my face
A crooked spine My sense dulled
Passed the point of delirium
On my own...here we go....
My eyes feel like they're gonna bleed
Dried up and bulging out my skull
My mouth is dry My face is numb
Fucked up and spun out in my room
On my own...Here we go....
