Come with me and let's go for a ride
Follow me to the other side
As I sit around and watch you pout

Cause I know that you're the
Best thing in town -- Best thing around
Best thing in town -- Best thing around

Running wild and always running free
Doing things that I have never seen
Eerie colors and all I see are sounds

Now I know that you're the
Best thing in town -- Best thing around
Best thing in town -- Best thing around

I'm seeing faces...
Of mysteries of the earth
I am not one ...
To the aggersions of my birth
Or go to stance...
Of houllinations I can't find

A missing peice...
Of a thought thats in my mind

Come with me and let's go for a ride
Follow me to the other side
As I sit around and watch you pout

Cause I know that you're the
Best thing in town -- Best thing around
Best thing in town -- Best thing around

Running wild and always running free
Doing things that I have never seen
Eerie colors and all I see are sounds

Now I know that you're the
Best thing in town -- Best thing around
Best thing in town -- Best thing around

Sick and tired of all this wild shoot!
