Breaking in a sweat
Like a bomb threat
Use your silhouette Faded out
Nothing left to lose
Detonate the fuse
Another breaking news blowout
Ain't it beautiful
So unusual
Life's a gas
And it's running out
Living a cliché
Gonna seize the day
Bottle rockets and celebrate,
Celebrate, celebrate
Carpe Diem, A battle Cry
Aren't we all too young to die
Ask a reason and No reply
Aren't we all too young to die
Making a Living
Making a Killing
Whats worth forgiving
Alright
A blink of an eye
Barely Scraping By
Dominated by Passer By's
Feeling out of luck
When the traffic's stuck
And you're feeling
So left behind
Getting Off a binge
Get a second wind
Another promise
Just make a change
Got a Broken wing
Hear the angels sing
When the signal is out of range
Ain't it strange, Ain't it strange
Carpe Diem, A battle Cry
Aren't we all too young to die
Ask a reason and No reply
Aren't we all too young to die
Making a living

Making a Killing
Whats worth forgiving
Alright
(instrumental)
Making a living
Making a Killing
Whats worth forgiving
Alright
Carpe Diem, A battle Cry
Aren't we all too young to die
Ask a reason and No reply
Aren't we all too young to DIE!!
