I got under the grip
Between this modern hell
I got rejection letter in the mail and
It was already ripped to shreds
Seasons in ruin and
This bitter pill is chased with blood
There's fire in my veins
And it's pouring out like a flood

Woah, Christian's inferno
Woah, Christian's inferno
Woah, Christian's inferno
Woah, Christian's inferno

This diabolic state is gracing my existence
Like a catastrophic baby
Maybe maybe you are the chemical reaction
I am the atom bomb
I am your chosen one
Toxin your reservoir
And then return man to ape

Woah, Christian's inferno
Woah, Christian's inferno
Woah, Christian's inferno
Woah, Christian's inferno
