

Green Day "Coming Clean"

Visit "[Coming Clean](#)" on MotoLyrics.com

Seventeen and strung out
on confusion
Trapped inside a world of
dissillusion
I found out what it takes
to be a man
Now, Mom and Dad will never
understand

Secrets go and change us
but never forget
Skeletons come to
life in my closet

I found out what it takes
to be a man

now Mom and Dad will never
understand
What's happening to me

Seventeen and coming clean
for the first time
I finally figured out myself
for the first time
I found out what it takes
to be a man
now Mom and dad will never
understand
what's happening to me
