"Downtown"

I've been waiting a long time
For this moment to come,
I'm destined for anything at all

Downtown lights will be shining
On me like a new diamond,
Ring out under the mid-night hour

Well no one can touch me now, well
And I cant turn my back
Its too late,
Ready or not at all

Well Im so much closer than,
I have ever known
Wake-up

Dawning, of a new era
Calling, dont let it catch you falling
Ready or not at all

Well so close, enough to taste it
Almost, I can embrace this feeling
On the tip of my tongue

Well Im so much closer than,
I have ever known
Wake-up
Better thank your lucky stars
(repeat)

Ive been waiting a lifetime
For this moment to come
Im destined for anything at all

Dumbstruck, color me stupid
Good luck, youre gonna need it
Where Im going if I get there at all

Wake up
Better thank your lucky stars
