Raise your hands now to testify  
Your confession will be crucified  
You're a sacrificial suicide  
Like a dog that's been sodomized

(Stand up!)  
All the white boys  
(Sit down!)  
And the black girls  
(Stand up!)  
You're the soldiers  
(Sit down!)  
Of the new world

Put your faith in a miracle  
And it's non-denominational  
Join the choir, we'll be singing  
In the Church of Wishful Thinking

A fire burns today  
Of blasphemy and genocide  
The sirens of decay  
Will infiltrate the faith fanatics

Oh bless me Lord for I have sinned  
It's been a lifetime since I last confessed

I threw my crutches in "the river of a shadow of doubt"  
And I'll be dressed up in my Sunday best

Say a prayer for the family  
Drop a coin for humanity  
Ain't this uniform so flattering?  
I never asked you a god damned thing!

A fire burns today  
Of blasphemy and genocide  
The sirens of decay  
Will infiltrate the faith fanatics

Don't test me  
Second guess me

Protest me  
You will disappear

I want to know who's allowed to breed  
All the dogs who never learned to read  
Missionary politicians  
And the cops of the new religion!

A fire burns today  
Of blasphemy and genocide  
The sirens of decay  
Will infiltrate the inside  
Yeah!
