She's an extraordinary girl
In an ordinary world
And she can't seem to get away

He lacks the courage in his mind
Like a child left behind
Like a pet left in the rain

She's all alone again
Wiping the tears from her eyes
Someday he feels like dying
She gets so sick of crying

She sees the mirror of herself
An image she wants to sell
To anyone willing to buy

He steals the image in her kiss
From her hearts apocalypse
From the one called what's her name

She's all alone again
Wiping the tears from her eyes
Someday he feels like dying
She gets so sick of crying

She's all alone again
Wiping the tears from her eyes
Someday he feels like dying
Someday it's not worth trying
Now that they both are finding
She gets so sick of crying

She's an extraordinary girl
An extraordinary girl
An extraordinary girl
An extraordinary girl
