I woke up in pool of sweat  
First thought that I pissed the bed  
Haunted stories in the midnight hour  
The Kiss of Death from the Eiffel Tower

Then I went down, like the speed of sound  
You're out of sight, but not out of mind

I had a dream that I kissed your lips  
And it felt so true  
Then I woke up as a nervous wreck  
And I fell for you

I'll spend the night, living in denial  
Making paper planes, just for a while

I'll crash into you  
I crash into you  
'cause you crashed in my imagination too

Break a leg and crush my heart  
I'm a mess and you're a work of art  
Count your blessings going zero to five  
I steal a kiss then I took a dive

Then I went down, like the speed of sound  
You're out of sight, but not out of mind

I had a dream that I kissed your lips  
And it felt so true  
Then I woke up as a nervous wreck  
And I fell for you

I'll spend the night, living in denial  
Making paper planes, just for a while

I'll crash into you  
I crash into you  
'cause you crashed in my imagination.....

I had a dream that I kissed your lips  
And it felt so true

Then I woke up as a nervous wreck  
And I fell for you (3x)
