I drop your laundry and slam the door  
I don't want your love so give me more  
I'm a beggar but I don't wanna dime  
Ahhh

Oh baby baby it's fuck time  
You know I really wanna make you mine  
Oh baby baby it's fuck time  
There's nothing left to say yeah  
Take a look into my eyes  
I wanna hold you till I'm paralyzed  
Oh Amanda Jones, your holy grace  
I wanna choke you until your blue in the face  
Got dirty thoughts and a dirty mind  
Ahhh

Oh baby baby it's fuck time  
You know I really wanna make you mine  
Oh baby baby it's fuck time  
There's nothing left to say yeah  
Take a look into my eyes  
I wanna hold you till I'm paralysed

{Guitar Solo}

Take a look into my eyes  
I wanna hold you till you're paralyzed  
Take a look into my eyes  
I wanna hold you till you're paralyzed
