The last time
Some people were cryin' Those plastic tears are
multiplyin'
Now I've been confronted
And I keep denyin' She keeps cryin' I've buyin' for
time
She's still waitin' and disapatein' That oakland lady
she drives me crazy
She's three times the lady
but now I'm just lazy
three times as much but I'm not even sayin'
iiiiiiiiimmmppppppppooooooorrrrrrttttaaaaaannnnntttttt
thinks that's what they do
I'll get right back to you
She's on my mind
I can't stop thinkin' of her
She won't let me love her
Her ex-boy friends on a vacate in thailand
With expensive new clothes
and a fake british accent
well he pumps iron
and his name is byron

when he comes up to me I can tell he's inspirin'
prepare for a beatin' I started
breathin'
now I'm pumped
and after he explained it to me
I was bruised and bleedin'
I set the beat and I just can't fight
she's as perfect as they get
least that's why I am so upset
my tears will dry
women don't get any younger
I'm goin' under
learned to see
you goin under
