Here we go again  
Infatuation touches me just when I thought that it would  
end  
Oh, but then again it seems much more than that  
But I'm not sure exactly what you're thinking

I toss and turn all night thinking of your ways of  
affection  
But to find that it's not different at all  
Well I throw away my past mistakes and contemplate  
my future  
That's when I say...what the hay?!

Will I last forever? You and I together hand in hand  
we'd run away  
(Far away)  
I'm in for nasty weather  
But I'll take whatever you can give that comes my way  
(Far away)
