Another turning point, a fork stuck in the road  
Time grabs you by the wrist, directs you where to go  
So make the best of this test and don't ask why  
It's not a question but a lesson learned in time

#### CHORUS

It's something unpredictable  
But in the end is right  
I hope you had the time of your life

So take the photographs and still frames in your mind  
Hang it on a shelf in good health and good times  
Tattoos of memories and dead skin on trial  
For what it's worth it was worth all the while

#### CHORUS (X3)
