A thought burst in my head and I need to tell you  
It's news that I for thought  
Was it just a dream that happened long ago?  
I think that I just forgot

Well it hasn't been the first time  
And it sure does drive me mad

There's a boy who fogs his world and now he's getting  
lazy  
There's no motivation and frustration makes him crazy  
He makes a plan to take a stand but always ends up  
sitting.  
Someone help him up or he's gonna end up quitting

I shuffle through my mind  
To see if I can find  
The words I left behind  
Was it just a dream that happened long ago?  
Oh well...

Never mind.

Well it hasn't been the first time  
And it sure does drive me mad

There's a boy who fogs his world and now he's getting  
lazy  
There's no motivation and frustration makes him crazy  
He makes a plan to take a stand but always ends up  
sitting.  
Someone help him up or he's gonna end up quitting

There's a boy who fogs his world and now he's getting  
lazy  
There's no motivation and frustration makes him crazy
