### "iViva La Gloria!"

Hey Gloria?  
Are you standing close to the edge?  
Lookout to the setting sun  
The brink of your vision  
Eternal youth is a landscape of the lie

The cracks of my skin can prove  
As the years will testify  
Say your prayers and light a fire we're going to start a  
war  
Your slogan's a gun for hire  
It's what we waited for

Hey Gloria

This is why we were on the edge  
The fight of our lives been drawn to this undying love

Gloria! Viva La Gloria!  
You blast your name in graffiti on the walls (oh)  
Falling through broken glass that's slashing through  
your spirit  
I can hear it like a jilted crowd

Gloria! Where are you Gloria?  
You found a home in all your scars and ammunition  
You made your bed in salad days amongst the ruins  
Ashes to ashes of our youth

She smashed her knuckles into winter (Gloria)  
As autumn's wind fades into black  
She is the saint of all the sinners (Gloria)  
The one that's fallen through the cracks  
So don't put away your burning light

Gloria! Where are you Gloria?  
Don't lose your faith to your lost naivete  
Weather the storm and don't look back on last  
November  
When your banners were burning down

Gloria! Viva La Gloria!  
Send me your amnesty down to the broken hearted  
Bring us the season that we always will remember  
Don't let the bonfires go out

So Gloria

Send out your message of the light that shadows in the  
night  
Gloria where's your undying love?  
Tell me the story of your life ...  
(Your life!)
