To know you is to hate you...
So loving you must be like suicide.
I don't mind...
If you don't mind,
Hell, I'm not the one that's gonna die.

I guess I just can't listen,
To this one-sided conversation again...
'Cause I don't care.
If I don't care,
No one ever said that life was fair.

Well, everybody loves a joke, but,
No one likes a fool.
And you're always cracking the
same old lines again.

You're well-rehearsed,
On every verse,
And that was stated clear...
But no one understands your verity!

The center of attention,
Got an honorable mention once again...
Congratulations!
'n Salutations!
You're a figment of your own imagination!

Well, everybody loves a joke, but,
No one likes a fool.
And you're always cracking the
same old lines again!

You're well-rehearsed,
On every verse,
And that was stated clear.
But no one understands your verity!

To know you is to bait you
And you fell victim to your own denial
I don't mind if you don't mind

you're wasting all your time.
