Part I: Jesus Of Suburbia

I'm the son of rage and love  
The Jesus of Suburbia  
The bible of none of the above  
On a steady diet of  
Soda Pop and Ritalin  
No one ever died from my  
Sins in hell  
As far as I can tell  
At least the ones that I got away with

And there's nothing wrong with me  
This is how I'm supposed to be  
In a land of make believe  
That don't believe in me

Get my television fix  
Sitting on my crucifix  
The living room or my private womb  
While the Moms and Brads are away  
To fall in love and fall in debt  
To alcohol and cigarettes  
And Mary Jane  
To keep me insane  
Doing someone else's cocaine

And there's nothing wrong with me  
This is how I'm supposed to be  
In a land of make believe  
That don't believe in me

Part II: City of the Damned  
At the center of the earth  
In the parking lot  
Of the 7-11 were I was taught  
The motto was just a lie

It says home is were your heart is  
But what a shame  
Cause everyone's heart  
Doesn't beat the same  
It's beating out of time

City of the dead  
At the end of another lost highway  
Signs misleading to nowhere  
City of the damned  
Lost children with dirty faces today  
No one really seems to care

I read the graffiti  
In the bathroom stall  
Like the holy scriptures of a shopping mall  
And so it seemed to confess

It didn't say much  
But it only confirmed that  
The center of the earth  
Is the end of the world  
And I could really care less

City of the dead  
At the end of another lost highway  
Signs misleading to nowhere  
City of the damned  
Lost children with dirty faces today  
No one really seems to care

Part III: I don't care  
I don't care if you don't  
I don't care if you don't  
I don't care if you don't care (4x)

I don't careeeeeeee...

Everyone is so full of shit  
Born and raised by hypocrites  
Hearts recycled but never saved  
From the cradle to the grave  
We are the kings of war and peace  
From Anaheim to the Middle East  
We are the stories and disciples of  
The Jesus of suburbia

Land of make believe  
That don't believe in me  
Land of make believe  
And I don't believe  
And I don't care! (5x)

Part IV: Dearly beloved  
Dearly beloved are you listening?  
I can't remember a word that you were saying

Are we demented or am I disturbed?  
The space that's in between insane and insecure

Oh therapy, can you please fill the void?  
Am I retarded or am I just overjoyed  
Nobody's perfect and I stand accused  
For lack of a better word, and that's my best excuse

Part V: Tales of another broken home  
To live, and not to breathe  
Is to die, in tragedy  
To run, to run away  
To find, what you believe

And I leave behind  
This hurricane of fucking lies  
I lost my faith to this  
This town that don't exist  
So I run, I run away  
To the light of masochists

And I, leave behind  
This hurricane of fucking lies  
And I, walked this line  
A million and one fucking times  
But not this time

I don't feel any shame  
I wont apologize  
When there ain't nowhere you can go  
Running away from pain  
When you've been victimized  
Tales from another broken home

You're leaving...  
You're leaving...  
You're leaving...  
Ah, you're leaving home...
