Walking after dark  
In the New York City park  
The darkness growing over you  
How will you survive?  
All the Christians talking to  
A giant mind-control

So turn that garbage down for rockin' rock and roll  
Right for the  
For giving me

Someone kill the DJ  
Shoot the fucking DJ  
Someone kill the DJ  
Shoot the fucking DJ  
Someone kill the DJ  
Shoot the fucking DJ

Let's just keep my innocence  
Shoot that fucker down  
You never protest the day you die  
You cut your hole through your heart with a knife

Ooooh

Walking after dark  
With the New York City park  
The people feel the physical  
The feel them too  
The darkness and the marring  
The danger we've been through  
So turn that drama down, it's running round 'n' round  
I know exactly giving me the

Someone kill the DJ  
Shoot the fucking DJ  
Someone kill the DJ  
Shoot the fucking DJ  
Someone kill the DJ  
Shoot the fucking DJ  
I've been running riots and I'm not about to go

You never protest the day you die  
I cut a hole through your heart with a knife
