Started at the age of four
My mother went to the grocery store
Went sneaking through her bedroom door
To find something in a size four

Sugar and spice and everything nice
Wasn't made for only girls
GI Joe in panty hose is making room
For the one and only

King for a day, princess by dawn
King for a day in a leather thong
King for a day, princess by dawn
Just wait 'til all the guys get a load of me

My daddy threw me in therapy
He thinks I'm not a real man
Who put the drag in the drag queen
Don't knock it until you tried it

Sugar and spice and everything nice
Wasn't made for only girls
GI Joe in panty hose is making room

For the one and only

King for a day, princess by dawn
King for a day in a leather thong
King for a day, princess by dawn
Just wait 'til all the guys get a load of me

Sugar and spice and everything nice
Wasn't made for only girls
GI Joe in panty hose is making room
For the one and only

King for a day, princess by dawn
King for a day in a leather thong
King for a day, princess by dawn
King for a day in a leather thong

King for a day, princess by dawn

King for a day in a leather thong
King for a day, princess by dawn
Just wait 'til all the guys, just wait 'til all the guys
Just wait 'til all the guys get a load of me
