I don't think you'll find it here (?)
Well, _____

____ reminds me, will you change (?)

No-one needs it (?)
They don't need no ill feeling (?)
Cause no-one gives a shit (?)

Well there's no-one left around
Cause you're the last gang in town
And I can't even hear you (?), this time around

Well there's no-one left around
Cause you're the last gang in town
And I can't even hear you (?) this time around

I can't see straight (??)
Hearts are broken in the rain
Now this kid don't want your lovin'

I walk around
I look for / looking for a sign
Anything that's news of her (??)
How do I fucking count on them? (?)

No-one needs it (?)
They _____ need it (?)
Cause no-one gives a shit (?)

Well there's no-one left around
Cause you're the last gang in town
And I can't even hear you (?) this time around

Well there's no-one left around
Cause you're the last gang in town
And I can't even hear you (?) this time around

Don't cross the line (?)
Everything you've said is a lie (?)
Come on
Everything you do
All you really do is cry (?)

[guitar solo]

Well there's no-one left around
Cause you're the last gang in town
And I can't even hear you (?) this time around
