I text a postcard, sent to you  
Did it go through?  
Sending all my love to you  
You are the moonlight of my life every night  
Giving all my love to you

My beating heart belongs to you  
I walked for miles til I found you  
I'm here to honor you  
If I lose everything in the fire  
I'm sending all my love to you

With every breath that I am worth  
Here on Earth

I'm sending all my love to you  
So if you dare to second guess  
You can rest assured  
That all my love's for you

My beating heart belongs to you  
I walked for miles til I found you  
I'm here to honor you  
If I lose everything in the fire  
I'm sending all my love to you

My beating heart belongs to you  
I walked for miles til I found you  
I'm here to honor you  
If I lose everything in the fire  
Did I ever make it through?
