I'm too tired to be bored
I'm too bored to be tired
And the silence is so deafening
It's like picking at a sore

I'm too mental to go crazy
I'm too drunk to be pure
And my mind is playing tricks on me
And I can't sleep tonight

'cause I so tired
I can't take it anymore
What with all the liars
Like a prisoner of war

I don't want your sympathy, I don't want your honesty
I just want to get some peace of mind
It's only in my head, as I roll over and play dead
I don't want to hear it anymore

It's good to see you
But I really must admit
There's an odor in the air
And I think you look like shit

I can't stand from falling down
I'm too sick to throw up
Everyone keeps talking
And they can't shut the fuck up

'cause I so tired
I can't take it anymore
What with all the liars
Like a prisoner of war

I don't want your sympathy, I don't want your honesty
I just want to get some peace of mind
It's only in my head, as I roll over and play dead
I don't want to hear it anymore

I don't want your sympathy, I don't want your honesty
I just want to get some peace of mind

It's only in my head, as I roll over and play dead
I don't want to hear it anymore

I don't want to hear about it
I don't want to scream about it
I don't want to hear it anymore
