Shut your mouth 'cause you're talking too muchâ€”
And I don't give a damn anyway
â€”You always seem to be stepping in shitâ€”
And all you really do is complainâ€”â€”
Hitch a ride, tell it how you likeâ€”
Small minds tend to think a likeâ€”

Shut your mouth 'cause you're talking too muchâ€”
And I don't give a fuck anywayâ€”â€”

Chorus:

Let yourself go, let yourself go, let yourself go (x4)â€”
Gotta let it go, gotta let it go (x2)â€”â€”â€”

Cut the crap 'cause you're screaming in my earâ€”
And you're taking up all of the spaceâ€”
You're really testing my patience again
And I'd rather get punched in the faceâ€”â€”
You're getting on my every last nerveâ€”â€”
Everything you've said I've already heardâ€”

I'm sick to death of your every last breathâ€”
And I don't give a fuck anywayâ€”â€”â€”

Chorus:

Let yourself go, let yourself go, let yourself go(x4)â€”
Gotta let it go, gotta let it go (x4)â€”â€”â€”

(Guitar Solo)

Always fuck, fuckin' with my head now (x3)
Always fuckin' with my head
And I gotta let it go

Chorus:

Let yourself go, let yourself go, let yourself go(x8)
