Where did you come from
Where have you been?
Looks like you fell into the trash bin

I'm catching a train
I'm crashin' the car
Back in for daylight
Shooting for the stars

Like a lifelong daisy chain
Of my imagination
Rat inside a maze
I've got no destination

~Cause I'm a little boy named Train
Ask me again and I'll tell you the same
Little boy named Train
Don't know where I come from
But I know where I have been

Serious people are funny to me
Funny people seem so serious
I'm always lost and nothing will change
Give me directions and I'll get lost again

Like a lifelong daisy chain
Of my imagination
Rat inside a maze
I've got no destination

~Cause I'm a little boy named Train
Ask me again and I'll tell you the same
Little boy named Train
Don't know where I come from
But I know where I have been

Say!

Like a lifelong daisy chain
Of my imagination
Rat inside a maze
I've got no destination

â€˜Cause Iâ€™m a little boy named Train
Ask me again and Iâ€™ll tell you the same
Little boy named Train
I donâ€™t know where I come from
But I know where I have been

I said I donâ€™t know where I come from
But I know where I have been
