look for love (look for love)  
look for love (look for love)  
look for love (look for love)  
look for love (look for love)  
look for love (look for love)  
When everything seems to go wrong  
And all you need somebody strong  
Whith a smile and a song  
Look for love (look for love)

And when you're not having that much fun  
and the day is never done  
Until you find someone

look for love (look for love)  
look for love (look for love)

And when you fing love  
And keep all your love  
Success and happiness too  
Will be for you
