I'm tired of being what you want me to be  
Feeling so faithless lost under the surface  
Don't know what you're expecting of me  
Put under the pressure of walking in your shoes  
(caught in the undertone just caught in the undertone)  
Every step that I take is another mistake to you  
(caught in the undertone just caught in the undertone)

I've become so numb I can't feel you there  
I've become so tired so much more aware  
I've becoming this all I want to do  
Is be more like me and be less like you

Can't you see that you're smothering me  
Holding too tightly afraid to lose control  
Cause everything that you thought I would be  
Has fallen apart right in front of you  
(caught in the undertone just caught in the undertone)  
Every step that I take is another mistake to you  
(caught in the undertone just caught in the undertone)  
And every second I waste is more than I can take

I've become so numb I can't feel you there  
I've become so tired so much more aware

I've becoming this all I want to do  
Is be more like me and be less like you

And I know  
I may end up failing too  
But I know  
You were just like me with someone disappointed in  
you

I've become so numb I can't feel you there  
I've become so tired so much more aware  
I've becoming this all I want to do  
Is be more like me and be less like you

I've become so numb I can't feel you there  
Is everything what you want me to be  
I've become so numb I can't feel you there

Is everything what you want me to be
