I wish I could tell you  
But the words would come out wrong  
Oh, if you only knew  
The way I've felt for so long

I know that we're worlds apart  
But I just don't seem to care  
These feelings in my heart  
Only with you, I want to share

The first time, I caught a glimpse of you  
Then all my thoughts were only of you  
Oh, ho  
Oh, ho

I hope that when time goes by  
You will think the same about me  
Many nights awake I lie  
I only wish that you could see

I know that we're only friends  
I hope this feeling never ends  
If I could only hold you  
It's the only thing I want to do

The first time, I caught a glimpse of you  
Then all my thoughts were only of you  
Wo, ho  
Wo, ho  
Wo, ho

Wo, ho  
Ah, ha  
Ah, ha
