Such an endless dreary time  
A time of hopes + happiness

And it put's my heart to test

To this day I'm asking why

As the days go on I wonder  
(Will this ever end?)

When you're with your boyfriend  
I do not mind if all I am is  
Just a friend to you  
But all I want to know right now  
Is if you think about me too...?  
So when...(repeat chorus
