You come around every now and then
Your clothes are different but you're still the same
Why else would you come here?
Scumbag on a mission

You're telling me that it's been a while
Shit-eating grin and a brand new lie
Somebody let you come here
Scumbag with permission

Never thought I'd see
The likes of you 'round this place
What's the special occasion?
Did you run out of friends?

Here you are, comin' 'round again
And things are different but you still pretend

You've got a reason to come here
Scumbag with ambition

And now you're telling me that things have changed
And you'll be leavin' in a couple of days
You're gonna change the world someday
Scumbag with a vision

It must be nice to know
You've got it all figured out
But from where I'm sittin'
It's the same thing again and again

You never stop to think
Before you open up your mouth
'Cause every time you do
It's the same thing again and again
