She...

She screams in silence

A sullen riot penetrating through her mind

Waiting for a sign

To smash the silence with the brick of self-control

[Chorus:]

Are you locked up in a world

Thats been planned out for you?

Are you feeling like a social tool without a use?

Scream at me until my ears bleed

I'm taking heed just for you

She's figured out

All her doubts were someone else's point of view

Waking up this time

To smash the silence with the brick of self-control

[Chorus]

Are you locked up in a world

Thats been planned out for you?

Are you feeling like a social tool without a use?

Scream at me until my ears bleed

I'm taking heed just for you

EHHHHHH,AHHHHHHHHHHH!!!

[Chorus]

Are you locked up in a world

Thats been planned out for you?

Are you feeling like a social tool without a use?

Scream at me until my ears bleed

I'm taking heed just for you
