Bring me back to an hour ago
Time stands still as the years go by
Brown-eyed girl that's throwing down a bottle of old
english
Back in the warehouse

Old days are fine
But left so far behind
From California to Jane Street
The kids alright, alright as they'll ever be
'Cause you will always be my
Well you will always be my
You will always be my sweet sixteen

Sleep on the floor on cardboard
Stab at my heart like a dartboard.
Brown-skinned girl that I dream about a long long time
now
From the Midwest to the beach

Old days are fine
But left so far behind
From California to Jane Street
The kids alright, alright as they'll ever be
'Cause you will always be my
Well you will always be my
You will always be my sweet sixteen

Old days are fine
But left so far behind
From California to Jane Street
The kids alright, alright as they'll ever be
'Cause you will always be my
Well you will always be my
You will always be my sweet sixteen
