I was a young boy that had big plans  
Now I'm just another shitty old man  
I don't have fun and I hate everything  
The world owes me, so fuck you

Glory days don't mean shit to me  
I drank a six pack of apathy  
Life's a bitch and so am I  
The world owes me, so fuck you

Wasted youth and a fistful of ideals  
I had a young and optimistic point of view  
Wasted youth and a fistful of ideals  
I had a young and optimistic point of view

I've decomposed, yet my gut's getting fat  
Oh my God, I'm turning out like my dad  
I'm always rude, I've got a bad attitude  
The world owes me, so fuck you

The wife's a nag and the kid's fucking up  
I don't have sex 'cause I can't get it up  
I'm just a grouch, sitting on the couch  
The world owes me, so fuck you

Wasted youth and a fistful of ideals  
I had a young and optimistic point of view  
Wasted youth and a fistful of ideals  
I had a young and optimistic point of view  
[Incomprehensible]

I was a young boy that had big plans  
Now I'm just another shitty old man  
I don't have fun and I hate everything  
The world owes me, so fuck you

Glory days don't mean shit to me  
I drank a six pack of apathy  
Life's a bitch and so am I  
The worlds owes me, so fuck you

The world owes me, so fuck you

The world owes me, so fuck you
