*[Originally by The Who]*

I don't mind all the guys dancing with my girl  
That's fine, I know them all pretty well  
And I know sometimes I must get out in the light  
Better leave her behind where the kids are alright...  
The kids are alright...

Sometimes, I know I gotta get away  
Bells chime, I know I gotta get away  
And I know if I don't, I'll go out of my mind  
Better leave her behind where the kids are alright...

The kids are alright...

I know if I go things would be a lot better for her  
I had this plan but her folks wouldn't let her  
I don't mind, I feel i gotta get away  
Bells chime, i know I gotta get away  
And I know if I don't I'll go out of my fuckin' mind  
Better leave her behind where the kids are alright...  
The kids are alright...  
The kids are alright...  
The kids are alright...
