Little girl, little girl  
Why are you crying?  
Inside your restless soul  
Your heart is dying

Little one, little one  
Your soul is purging  
Of love and razor blades  
Your blood is surging

Runaway  
From the river to the street  
And find yourself with your face in the gutter  
You're a stray for the salvation army  
There is no place like home  
When you got no place to go

Little girl, little girl  
Your life is calling  
The charlatans and saints  
Of your abandon

Little one, little one  
The sky is falling  
Your lifeboat of deception  
Is now sailing

In the wake all the way  
No rhyme or reason  
Your bloodshot eyes  
Will show your heart of treason

Little girl, little girl  
You dirty liar  
You're just a junkie  
Preaching to the choir

Runaway  
From the river to the street  
And find yourself with your face in the gutter  
You're a stray for the salvation army  
There is no place like home

When you got no place to go

The traces of blood  
Always follow you home  
Like the mascara tears  
From your getaway  
(Gloria!)  
You're walking with blisters  
And running with shears  
So unholy  
Sister of grace

Runaway  
From the river to the street  
And Find yourself with your face in the gutter  
You're a stray from the salvation army  
There is no place like home
