I've been waiting a long time  
For this moment to come  
I'm destined for anything at all

Downtown lights will be shining  
On me like any diamond  
Ring out under the midnight hour

Well no one can touch me now well  
And I can't turn my back  
It's too late, ready or not at all

Well I'm so much closer than  
I have ever known, wake up

Dawning of a new era  
Calling don't let it catch you falling  
Ready or not at all

It's so close enough to taste it  
Almost I can embrace this  
Feeling on the tip of my tongue

Well I'm so much closer than  
I have ever known, wake up

Better thank your lucky stars  
Say, hey, hey

Well I'm so much closer than  
I have ever known, wake up

Better thank your lucky stars  
Say, hey, hey

I've been waiting a life time  
For this moment to come  
I'm destined for anything at all

Dumbstruck, color me stupid  
Good luck, you're gonna need it  
Where I'm going if I get there at all

Wake up  
Better than your lucky stars
